DAT (BRENDAN) DUONG

COMPUTER SCIENCE GRADUATE

datduong.contact@gmail.com   (+61) 474 573 143   LinkedIn   Portfolio   GitHub

Resourceful IT graduate with a knack for bridging technical expertise and practical solutions. Recognized for excelling in dynamic environments, from contributing to web development projects to managing complex logistics in warehouse operations. Skilled in problem-solving, collaboration, and quickly adapting to new challenges. Driven by a passion for innovation and delivering meaningful results in every endeavor.

CURRENT POSITION

Level 2 Fulfilment Co-Worker (Forklift Operator)
IKEA
March 2023 - Present
Primarily operating forklifts to move and lift loads up to 750kg and 2.5 meters in length, reaching heights of up to 8 meters. Responsibilities included unstrapping pallets, replenishing stock, and safely transporting goods throughout the fulfillment area. Ensured efficient workflow and adhered to all safety protocols to support smooth warehouse operations.

RELEVANT EXPERIENCE

IT Technician Co-Worker (Hands-On Job Trial)
IKEA
March 27th 2024
Single night job trial. Assisted in replacing and installing network switch boards, ensuring accurate cable connections and coordinated team execution.

Student Intern
TechnologyOne
March 2023 - October 2023
Lead UX/UI designer and consultant, collaborating on front-end development with HTML, CSS, React.js, and Tailwind; facilitated client discussions and team collaboration to deliver mobile and web applications.
